SANADADAN

Afterword

A GROUP OF
THREE USELESS
GUYS SEEMED
LIKE A GREAT
IDEA FOR
A LIGHT
COMEDY...

THANK
YOU SO MUCH
FOR BUYING
MY FIRST
MANGA EVER,
DADADADAN!!!

'CAUSE THEY'RE SUPER EASY TO MAKE FUN OF...

MINA-MINA

I didn't manage to decide on his design until the very end but now I think he's the easiest to miss when he isn't there. He's a really flexible character. Thanks for being able to do anything I need for the plot. Aho!

RYOCHIN

He was the first character I came up with. However stupid he acts or how much I pick on him? He's gorgeous so I can't help but see him as a total show-stealer.

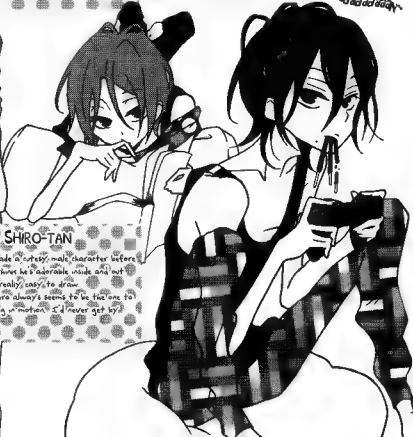

Well, let's introduce them all first.

Dadadadadan.

SHIRO-TAN

I'd never made a pretty male character before Shiro, but I think he's adorable inside and out. He's actually really easy to draw. Somehow, Shiro always seems to be the one to get everything in motion. I'd never get by without him!

Now that we've got that done...

LET'S MAKE FUN OF THEM!

SHIRO-TAN

Shiro's too girly, so whenever I have to draw a girl with him, it's impossible to make her cuter than he is!
(Even though this is a shoujo manga)

MINA-MINA

No matter how many times I draw it, I can't get used to your hairstyle

Your poor little author here doesn't understand computers, so stop using your laptop and phone all the time!

RYOCHIN

It's hard to draw pretty people. There've been times where it's taken three hours just to draw you!

Your hair's a pain to draw.

TO ALL OF YOU LOVELY READERS
(THANK YOU FOR ALL THE LETTERS)

MY SUPERVISOR
(SORRY I'M SUCH A DOWNER)

MY DESIGNER

EVERYONE FROM THE SYLPH
EDITING DEPARTMENT

ALL OF THE PEOPLE
WHO HELPED ME SEE
THIS BOOK THROUGH,
START TO FINISH

THANK YOU
SO MUCH!

HAYUZUMI
HARUTA

ALRIGHT!
THIS
IS YOUR
LAST SHOT
FOR THE
BOOK, SO
LET'S TRY
TO END IT
LOOKING
COOL!

THAT SAID, I'VE
NEVER WORKED
ON A MANGA THIS
STUPID, SO IT'S
BEEN A LOT OF
FUN DRAWING
THESE LOSERS.

NO KIDDING.

Dadadadan. Book Two

SHIRO TREMBLES WITH FEAR!!

RYOITA GETS PISSED!!

WILL A SMILE BE ENOUGH!?

YOU HAVEN'T SEEN
